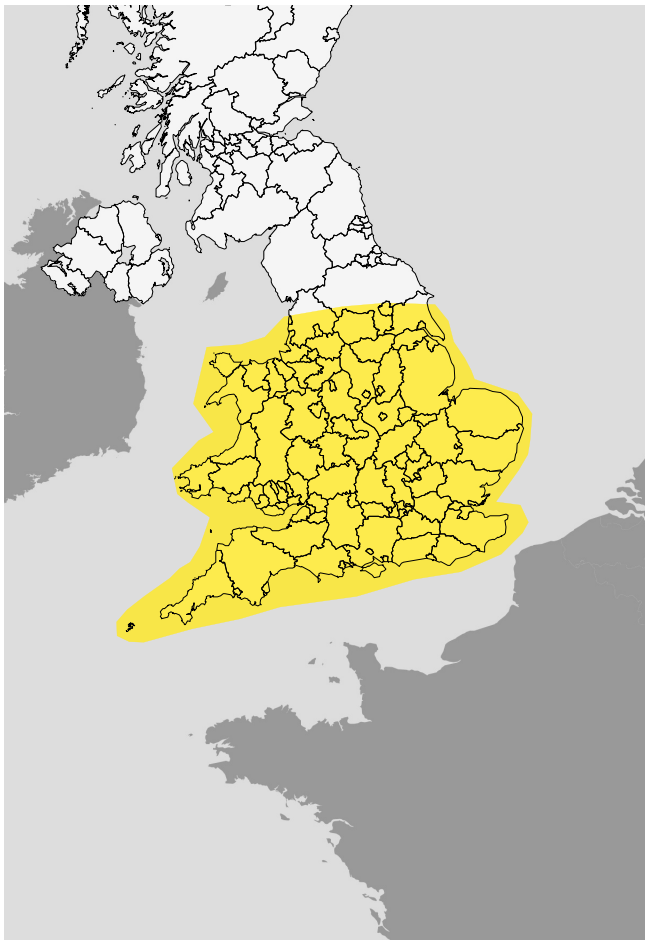
Yellow warning
Thunderstorm

Between
00:00 Sun 16 Aug 2020 and
23:59 Sun 16 Aug 2020



Further heavy showers and thunderstorms are expected at times and may lead to some flooding and travel disruption.

What to expect

- Flooding of homes and businesses could happen quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- Fast flowing or deep floodwater is possible.
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- Power cuts might occur and other services to some homes and businesses could be lost

Further details

Areas of heavy showers and thunderstorms are likely to move north across England and Wales during Sunday. Some locations within the warning area may miss the thunderstorms altogether, but where they do occur 30-40 mm of rain may fall in an hour with the potential for 60-90 mm in a few hours. The most likely areas to see the larger totals are in the East of England and then the East Midlands during the afternoon and evening.

The thunderstorms may be accompanied by large hail, frequent lightning and gusty winds.

Low likelihood of medium impacts
